

Can cer not cel MyDreams

I know that the lifestyle that I lead, the food & drink I have, the things I do or even my family history may put me at risk of having cancer.

So while I do my best to change my lifestyle to reduce this risk, I have obtained a **HNB Life Hope Cancer Insurance Plan** to assure me that **Cancer Cannot Cancel My Dreams.**

Hope
Cancer Insurance Plan
Nurturing Life

Main Benefits:

1. Cover up to 10 years for a single premium
2. Lump sum payment on diagnosis of cancer
 - a. 20% of Sum Assured in Early Stage Cancer, and the balance 80% if it develops in to Late Stage Cancer
 - b. 100% of Sum Assured if diagnosed as Late Stage Cancer
3. Cover from Rs. 500,000 to Rs. 2 million

How does the Hope Cancer Protection Plan differ from a Critical Illness Cover.

1. Critical Illness Cover does not pay for Early Stage Cancer
2. Since this covers only Cancer, it costs less than Critical Illness Cover
3. You make a one time premium payment and could obtain the policy for up to 10 years
